

## Process Writing on Examination in Writing Paper 150-200 Words

**Radha's younger brother is going to take his board's exam. He wants to know how examination in written papers is held. Radha decides to explain the process to him. Write the process description in not more than 100 words.**

### EXAMINATION IN WRITTEN PAPERS

First of all, a teacher or professor, who has specialized in that field, is requested to set the paper. Blueprint of the paper is preferred. Then the paper is published by the Board or University press strict secrecy is observed at every stage. The printed papers are kept in the custody of the Registrar of Secrecy. On the examination day, printed papers in sealed envelopes are sent to various examination centers. The superintendent of the center opens the envelope just fifteen minutes before the examination begins in the presence of two or three invigilators. Then, at the appointed hour, papers are distributed among the candidate by the invigilators.
