## Process Writing on Inter-House Drama Competition 150-200 Words

**You are Mani/Mona, the cultural Secretary of Sun public School, Dehradun. Attempt in 100-125 words a faculty description of the process of arranging for an Inter-House drama Competition in your school.**

### INTER HOUSE DRAMA COMPETITION

In order to develop personality and leadership traits, Sun Public School, Dehradun had divided all the students in different houses where they learn spirit and attain communication skills. They get an ample chance to face the audience and thus open their hearts to boost their hidden talents. Consequently, an Inter House Drama Competition was organized and the Director-cum-Stage Secretary had a very tough time. As he had to arrange a drama on "Saving a Girl Child" for presenting it on the state level, so the artist-character exhibits their roles duly prepared through different houses. Some students personified small girls and give heart-rending cries. They were able to awaken the pity and conscience to the audience. Other students from different houses played the role of a mother and did their best. One group acted as a role model to educate the parents. Ultimately a good team of actors was selected to participate at the state level. It had students of different age groups and from all the houses.
