Tenses for kids

Tenses for kids: If you are in **class 1, 2, 3, 4, 5**, you are at the right place. Here we have **types of tenses for kids** that are explained in an easy way.

Definition: The **tense** of [verb](#) is that form of a verb which tells us about the time of an action and whether that action is complete or not.

Tense is the form taken by the verb to indicate the time of the action. Tenses are used to express different times. An action (or an event) may have taken place in the past or it may take place in the present or future.

Kinds of Tenses for kids

1. The Present Tense
2. The Past Tense
3. The Future Tense

Simple Present Tense

The Simple present tense is used to

- Express an indefinite action, activity or state of being.
Example: Rohan reads in class four.
- Express a habitual or routine action or activity.
Example: It rains everyday in the Andaman and Nicobar islands.
- Express the present state of the action.
Example: She looks beautiful in her new dress.

Performdigi

- Express a universal truth.
Example: The earth is round.

It has a base form of a verb but adds 's' or 'es' for the third person singular (*he, she, it*) and other singular nouns.
