Complaint Letter Regarding Congested road and unhealthy atmosphere

Question- You are Saurabh of 103- Nanda Enclave New Delhi. There is a National Public School and the road leading to the school is very congested and full of potholes. Students, parents, and other traffic are often caught in a traffic jam. The concerned authorities have been requested by no results. Write a letter to the Minister of Urban Development, Govt. of N.C.T Delhi, drawing his attention for doing the needful.

Answer -

103-Nanda Enclave

New Delhi

10th July, 20xx

Hon'ble Minister of Urban Development

Govt. of N.C.T

Delhi

Subject: Complaint letter regarding Congested road and unhealthy atmosphere.

Sir,

I am forced to invite your kind attention towards the problem faced by the students, parents and the other people passing over the most congested road leading to the National Public School. The school is situated on the main road and in the close vicinity of the colony. The road is insufficient for the traffic to pass because it is narrow. Besides this, it is full of potholes and those pose a major problem during the rainy season. Not to speak of this, the traffic passes over to round the clock and the road goes on passing. Even the policemen on the crossing fail to do their duty properly. Consequently, the road gets damaged and the same is never repaired.

Authorities have been requested by no result. Please look into the matter yourself and get the necessary action done at the earliest.

Yours faithfully

Saurabh
