**Subject:** Allotment of Upper Berths to the Senior Citizens

Sir,

Through the esteemed columns of your newspaper, I would like to draw the attention of [railway authorities](#) towards the *allotment of upper berths* in trains to *senior citizens*.

It is a matter of grave concern that our elderly people or senior citizens are allotted upper berths. It causes a lot of inconvenience to them to climb onto the upper berths. In the evenings of their life, when they are not so active and agile, it is very difficult for them to *climb* on. With so many *ailments* it is not feasible for them to climb.

When a person gets his/her *reservation* done, he/she has to fill up his/her age in one of the columns then why are they not allotted the berths accordingly?

It is our duty to provide security, care, and support to our elderly people and not to put them into trouble.

Yours truly  
Rajan
