Dog owners walking their dogs along the colony street is a common sight. These pets relieve themselves on the pavements and dirty them. It is unseemly and unhygienic. Write a letter to the Municipal Commissioner of your city highlighting the situation and suggesting measures to keep the pavements clean. You are Jyoti/Parmesh, 15 Mall Road, Delhi.

**Answer:**

The Municipal Commissioner,  
Agra Cantonment, Agra.

**Subject:** Nuisance of Stray Dogs.

Sir,

I would like to highlight the nuisance caused by stray dogs on our Court Road in Agra. They keep barking day and night. After strolling in the streets in search of food they lie down anywhere in the street and spend the night. They relieve themselves on the pavements and stinking smell. There have been three cases of the cripple and an orphan. They can't afford to seek proper treatment. There is a danger to their lives and health.

Kindly send your dog squad and get the stray dogs caught or killed

Yours faithfully,  
Sukhchain/Sukhmani
