

## Essay on Jawaharlal Nehru

The name Jawaharlal Nehru has a great impression in our history. His gentle demeanour, moderate opposition, mild temperament, and new ideas and foresight have made him stand out from the crowd.

### The rebel

Although in 1919, Nehru's arrival was within the reach of national liberation, yet an important end is believed to have begun in 1921. When he made his first visit to the prison. The world gradually swayed his opinion. He played in Lucknow against the Simon Commission and the sticks of the Greek gods. a man of blue blood visited the prison repeatedly in the country and spent the night lying on the ground. He often writes letters to his daughter Indira while in prison. Yet his approach to blaming his girlfriend was completely different.

In 1928, he became the President of the Indian National Congress. This could be wherever the Jawaharlal Nehru era began within Congress. It is as if Gandhiji was confident in his talent. at the moment, there is a lot of truth at this point, it will not be the same. However, you continue to get something good by being priced at Gandhiji. Although he had more people who knew and loved the world than he did, he was given the opportunity once more.

### Jawaharlal Nehru's political introduction

1929 was a turning point in Nehru's life when he presided over a session of the Indian National Congress in December. During this session, the need for 'Governance' was raised by Congress. That the British Government refused. On the Gregorian calendar, Pandit Jawaharlal Nehru declared the Asian country Associate in Nursing a 'independent nation' in 1930 in the dark banks of the Ravi watercourse in the dark and wrote his name in gold letters on historical pages. It is considered the same date because the foundation, in the month of Gregory's calendar, 1950, this date was confirmed to enable the Republic to operate within the country.

From 1930 onwards, everyone began to see Gandhi's successor as Jawaharlal Nehru. From Gandhi's direct action in the 1930's to the Asian Declaration of the 1942 Movement, he played a prominent role in all the stated movements and fought for an encouraging role. therefore the order of the independent Asian country was given to them. Azad therefore became the country's prime minister.

In 1950, soon after the introduction of the Republic in the country, wholehearted hearts were gathered in the process of the country. He is referred to as the designer of the newly emerged Asian countries. Taking a key step in the country's development, in 1951, a five-year five-year establishment was forced. Until 1964, he breathed his last while working for the country.

### Epilogue

“In my opinion, accepting a faraway language as our official language would be a tremendous humiliation to the people of the North American Indians.

I will tell you about the unhealthy ways I feel after going abroad for tons, and that we should address our people in English. the people of the unit are very surprised, and that they are proposing to the North American nation that it has no language? Why can we speak foreign languages?. Hearing such thoughts of Jawaharlal Nehru, a wave of change swept across society.
