

## Descriptive essay on Rainy Day

Rainy days are a natural example. Rainy days are expected during the rainy season. It is an absolute joy for the children as their schools often give holidays because of the heavy rains. A sudden vacation and an unexpected vacation spot give them great pleasure.

After a long, scorching summer, rainy days are a welcome relief. Especially when it rains on unexpected days, it becomes enjoyable. There is a special significance in our lives.

A new afternoon shower soothes our souls and refreshes our spirits. Small paper boats floating on the agenda of memories, raindrops perched on trees and flowers, and the chirping of a thousand unidentified birds give an accurate impression on our minds.

For children, rainy days are a sudden break from their busy schedule. They often leave their homework and run to the water because of constant rain. The soothing petrichor and the sound of rain on the tin roof soothe our exhausted souls.

There is a unique and beautiful sight for cats and dogs as they run inside the sheds to shelter from the heavy rain. Rainy days are like a break between our stressful processes.

We are all creatures of Mother Nature, and it takes very little to reveal our chaotic personalities. Rainy days are those rare occasions when we can look away from our phones and gadgets and appreciate nature in all of its splendor. Few people can resist running to their balconies to smell the rain. It fills our machine hearts with incredible warmth.

Rainy days mark the discovery of new life. The trees look green after the rain, and the environment seems pretty different. Tiny raindrops on windows and dandelions glow like pearls in the sunlight.

Rain comes with thunder and lightning. Grey clouds obscure the normal azure and protect the sun. However, every dark cloud has a silver lining, which renews our hope and motivates us. Thunder closes our ears, and we welcome the wrath of nature with outstretched arms. We are amazed at the white cracks in the clouds. We are all left wondering how fantastic the character is.

Rainy days are ready for introverts. They wrapped themselves in blankets and a warm cup of coffee, and a favorite book. They were listening to Coldplay.

The children stretch out their arms at the car windows and smile as raindrops drip from the palms of their hands. Schoolchildren draw a smiling face in smoke from window glass. Poets sit by their windows and capture natural dreams with beautiful metaphors and hide them in the pages of their diaries.

Aloe vera plants that grow on the balcony are immersed and immersed in water for months. The children ran back home as their schools announced a rainy day holiday.

Rainy days are refreshing for all of us, and we need to find ourselves leaving behind a busy work life.
