**Subject and predicate definition for kids.**

**Definition:** The person or thing we speak about in a sentence is the **Subject**.

What we speak about the person or thing in a sentence is the **Predicate**.

**How to find a subject and predicate in a sentence?**

In a sentence, we name a person or thing and say something about that person or thing.

The part of a sentence that tells something about the **subject** is called the **predicate**. The **predicate** contains a verb. The predicate can be a word or a group of words.

**For Example:**

1. **Leena** loves to play the piano.
2. **Everyday** is a new day.
3. **Wisdom** is a priceless gift of God to man.
4. **Crocodiles** have more teeth than humans.
5. **My brother** has read all the harry potter books.
