The Commissioner

Municipal Corporation of Bhopal, Bhopal

Sub: Conversion of public park into a shopping complex.

Sir,

I, on behalf of the residents of Nehru nagar, want to bring the core resentment of public about the decision taken by **the Municipal Corporation** to convert the well-maintained and sanctioned park into **a shopping complex**. You know that this is the only open space for the children to *9 play, joggers, morning walkers and old people to pass their time in the morning* and evening hours. It serves as a safe play field for small children during their free time and they enjoy a **pollution free area**. The parks are the lungs for the residents and provide solace amidst **sky scrappers and cramped slopes**.

Moreover, there is a vacant plot with the Corporation, just hardly a ten furlongs from their well developed park. The same can be converted into *9* a shopping complex. At present the place needs **some improvement and attention**. It will also save us from encroachment by the anti-social elements. This site can be well utilized for the purpose under consideration.

I hope that the decision will be revoked in the best interest of the residents.

Yours faithfully

Rama

Secretary, R.W.A.
