Subject: Preservation of a public monument

Sir, I want to draw the attention of the Government towards the gradual decay of the public monument located in Arcot district. It is our valuable heritage and national treasure. It is the specimen of great art and architecture. It reminds us of our glorious past.

The monument had become an easy target of puunder and encroachment declared as protected monument Full time guards should be appointed to keep watch. Besides the periodical repair and replacements should be undertaken regularly.

Thanking you

Anarkali/Akbar
