Subject: Request for introducing vocational steam in school

Sir,

I have the *honor* to submit that as I am a member of the *parent-teachers association* of your *school*. My son, sham all is a *student* of *XI class* in your school. There are only three *streams* in your school namely the *arts Stream*, *Commerce Stream*, and *Science Stream(Medical)*. My son was *constrained* to opt for commerce stream like most of the *students* of his class.

The *vocational* stream which enshrines the *facility* of teaching such subjects as a *computer*, *insurance*, etc. and G.I.C, etc. has better [prospects](#). the students need not continue *academic studies* to make their *career* secure.

Under the *circumstances*, you are requested to introduce a stream in your school in the interest of the parents and their wards.

Thanking you in anticipation

Yours Faithfully,
Pawan/Priyanka
