Independent and Dependent Clauses

There are two types of clauses in a sentence such as *independent* and *dependent clauses*. A sentence contains one independent clause and may contain one or more dependent clauses.

Independent Clause

An independent clause contains a complete meaning and can stand by itself. It does not require any other clause to complete its meaning.

1. I really do not like your way of talking to the elders.
2. You are doing great work for society these days.
3. I am trying my best to win this battle now.
4. We are preparing for our exams these days.
5. I am giving you some good advice for a better career.

Dependent Clause

A dependent clause contains an incomplete meaning and cannot stand by itself. It requires an independent clause to complete its meaning.

Examples:

1. **When I go to the market**, I buy fruits.
2. I do not like his nature **because he is a liar**.
3. I did not call you **because I was busy today**.
4. **When you come here**, you feel very happy.
5. She could not come here **because she was not well**.
